

Government of the People's Republic of Bangladesh
Dhaka Transport Coordination Authority (DTCA)
Office of the Project Director

**Transport Master Plan and Preliminary Feasibility Study for Urban Metro Rail
Transit Construction of Chattogram Metropolitan Area (CMA)**
DTCA Bhaban, Tejgaon, Dhaka-1208.

Memo: 35.02.0000.003.14.003.24- 25

Date: 21.03.2024

**Request for Expression of Interest (EoI)
for
Technical Consultant (Individual)**

1. Chattogram is a major coastal city and financial hub in the southeastern part of Bangladesh. Chattogram is Bangladesh's second most significant urban center after the capital. To address the present traffic congestion situation of Chattogram Metropolitan Area (CMA), The government of Bangladesh intends to formulate a Transport Master Plan with pre-feasibility study of Mass Transit System focusing on social, economic, environmental and peoples' participation for CMA. The implementing agency, Dhaka Transport Coordination Authority (DTCA), like to hire one (01) Technical Consultant (Individual) for "Transport Master Plan and Preliminary Feasibility Study for Urban Metro Rail Transit Construction of Chattogram Metropolitan Area (CMA)" project, whose scope of services and qualifications in brief are given below:

Post	Brief Scope of Tasks/Service	Qualification and Experience
Technical Consultant (Individual) (13 Man-months) (1 Nos)	<ul style="list-style-type: none">• Assist DTCA officials for technical Support, technical analysis, mapping, data collection, presentation, report production, prepare related necessary documents etc. for the project.• Assist DTCA for preparation of Master Plan, preliminary feasibility study for urban metro rail construction of CMA and related works for the project.• Assist to coordinate with other relevant Transport Agencies and stakeholders for collection of information, document, project updates, drawing collections, meeting, workshop, seminar etc.• Provide administrative support for maintaining the technical schedule, arranging meetings, workshop, seminar, translating from English to Bangla, providing general office support.• Attend selected meetings and take notes or assist with presentations.• Provide such support to PIU staff as may from time to time be required for the project.• Supervise the planning process and keep updated to project director regarding the progress.	<ul style="list-style-type: none">• Have Bachelor degree with 5 years working experiences in Civil Engineering/Urban and Regional Planning or relevant field. At least 2 years working experience in urban transport planning. Masters in Transportation/Transport Planning/Urban Planning or in the relevant field will be given preference.• Have an understanding of principal urban transport issues, particularly public transport and road traffic management issues, urban transport policy in major cities in Bangladesh and be prepared to work with independence to conduct research.• Have advanced abilities to obtain and display geographical and other data with high presentation standards.• Have strong skills of personal organization, communication skill, report writing and administrative abilities.• Have high standards of spoken and written English and ability work under pressure.

2. Detail scope of services and qualifications are provided in Request for Application (RFA), which may be obtained from the office of the undersigned during normal office hours.
3. Interested applicants are requested to submit their expressions of interest in accordance with the application forms provided in RFA.
4. The consultant will be selected in accordance with Public Procurement Rules (PPR) 2008.
5. It is expected that the service will commence in June 2024 at Project office (Chattogram/Dhaka), Bangladesh.
6. Expressions of Interest (EoI) for the above position must be delivered in sealed envelope to the address of the Project Director on or before 08 April 2024 up to 3:30 PM. The envelopes must be clearly marked "EoI for Technical Consultant (Individual)".
7. The procuring entity reserves the right to accept or reject all EoIs.
